Metrics

Report: JVM Open Files

Chart: JVM Open Files

Metric Name | Metric Description — | — open files | max open files | open (%)
|

Report: JVM Memory

Chart: JVM Pool Size

Metric Name | Metric Description — | — used |

Chart: JVM Pool Utilization

Metric Name | Metric Description — | — used (%) |

Report: JVM Threads

Chart: Threads

Metric Name | Metric Description — | — thread count | daemon thread count |

Report: GC

Chart: Garbage Collectors Details (java 7 or later)

Metric Name | Metric Description — | — collection max time | collection avg
size |

Chart: Garbage Collectors Summary

Metric Name | Metric Description — | — collection time | collection count |

Chart: Garbage Collectors Time

Metric Name | Metric Description — | — percentile collection time | avg collection time |
